

SIGNATURE BUNDLE

Skin Genes Rx™

Unlock the secrets of your DNA

This genetics-based bundle is the ultimate personalized targeted series of treatments to achieve the results you desire.

It begins with an understanding of your genetics to learn what risk factors you have around your skin health. By understanding your skin's genetic fingerprint along with hereditary nutrient absorption tendencies, we will develop personalized and targeted treatments, skincare, and dietary supplement based on your DNA.

INCLUDES

- Skin genetics test
- Initial classic HydraFacial™
- Skin Genes Rx™ TelomereFx skincare (cream + serum)

Based on your genetics test results:

- Personalized HydraFacial™
- Custom skincare serum
- Oral supplement formulation (up to \$250)

Skin beauty from the inside out

STEP 1

SKIN GENETICS TEST

Decode your genetics to recode your skin care. Discover your premature skin aging risk factors. With a simple cheek swab, we will create your custom treatments, skincare and supplements.

STEP 2

INITIAL CLASSIC HYDRAFACIAL™

While we wait for your test results, begin your targeted treatment series with a classic HydraFacial™ to prepare your skin for the next steps with a deep cleanse, thorough exfoliation, and hydration.

STEP 3

SKIN GENES Rx TELOMERE Fx SKINCARE DUO

Our TelomereFx duo is composed of research-based functional ingredients. Specifically designed to limit telomere shortening to ensure optimal cell replication for maximal anti-aging effects.

STEP 4

PERSONALIZED HYDRAFACIAL™

This second HydraFacial™ treatment is based on your genetics test result. A truly targeted booster-enriched treatment to meet your specific skin goals.

STEP 5

CUSTOM SERUM

Thanks to the Universkin™ system merging biotechnology and AI skin analysis, we can truly customize a serum formulated to address your specific skin needs.

STEP 6

ORAL SUPPLEMENT FORMULATION

Our skin-specific supplements are formulated with evidence-based research to protect your skin from oxidative stress, free radicals, and premature aging.

Receive Dr. Chin's Top 10 Globe and Mail book, [Lifelines, Unlock the Secrets of Your Telomeres for a Longer Healthier Life](#) to discover practical ways to optimize the length of your telomeres for a longer, healthier life.
